

EMPOWERING WOMEN THROUGH SERVICE AND ADVOCACY

Dear Zonta Club Presidents, dear Zontians,

attached you find the District 14 CALL to CONFERENCE 2017 Oct. 13-15. Please forward it to all club members.

The Call to Conference invites all the Zontians of our District 14 to come to the conference held in October (13-15) in Brixen – Bressanone, Northern Italy. The Call also informs about Rules of procedure and elections, shows budgets and introduces the candidates for leadership positions of the District Board 2018 – 2020. Please read carefully and discuss with your club to make informed voting and election decisions.

I hope all clubs will be represented by delegate and other current and hopefully also future members. This event is an opportunity to meet, share, discuss, and bring back fresh ideas and motivation to continue your efforts to make a difference for women and girls in this world of widespread inequality.

All of you I want to thank for tireless efforts towards change for women who are far from a life with equal rights and living to their full potential, towards changes where equality is still a not a fully implemented reality and towards empowering women to reach and live their full potential.

Let us come together to find inspiration, get energized, live friendship and know that what we are doing can and does make a difference.

In Zonta friendship,

Elisabeth Thaler
